I promise that you will always count. You will always come first, and of course, if you don't for whatever reason, I will buy you some shoes. From the moment you entered my world, you have filled it with life, colour and energy like never before ... like kool-aid in a mud puddle ... or a cupcake in a salad ... or a rose garden in a junk yard. - ♥ I could promise to hold you and to cherish you. I could promise to be in sickness and in health. I could say, til death do us part. But I won't. Those vows are for optimistic couples, the ones full of hope. And I do not stand here, on my wedding day, optimistic or full of hope. I am not optimistic, I am not hopeful, I am sure. I am steady. And I know that this promise I am making to you today is so right. So this I am sure, you are my partner, my lover, my very best friend, my heart, my heart beats for you. And on this day, the day of our wedding, I promise you this: I promise you to lay my heart in the palm of your hands, I promise you... me
  
- ♥ With you, I know I will never have to do anything on my own. Our relationship has been a true testament to the man/ woman you are and the husband / wife you will be.  
 A drop everything because I need you, work past midnight to catch up kind of husband / wife. An "it's never too late to do the right thing" kind of husband / wife . A "what can I do to help you" kind of husband / wife  
 I knew you were "the one" when I realized that you truly are a better person than me. I admire you and look up to you for all the good you bring to this great big world. You are so blessed with the rare heart of a servant and your thoughtfulness touches everyone's life you are a part of. Your core is one of a kind and I am the richest girl to get to marry you.

Our journey as a family has only just begun and I can't wait to see what the future holds for us. [Name] you are the person I choose to spend forever with, as my true

soulmate. I chose you in [date you met], I choose you today, and I will continue choosing you forever. I love you.
