

Feature length vows

- ♥ [Name], you have been my best friend, mentor, playmate, confidant, and my greatest challenge. But most importantly, you are the love of my life and you make me happier than I could ever imagine and more loved than I ever thought possible. You have made me a better person, as our love for one another is reflected in the way I live my life. So I am truly blessed to be a part of your life, which as of today becomes our life together.
I see these vows not as promises but as privileges: I get to laugh with you and cry with you; care for you and share with you. I get to run with you and walk with you; build with you and live with you.
I get to have you be the person I spend the rest of my life with. I get to be there for you and support you. I don't have to honour and cherish you – I get to.
- ♥ I wish I could stand up here and promise you the world, but the world isn't mine to give. What I do promise is my world, and all it entails. My love, support, passion, compassion, and enthusiasm.
I wish I could promise smooth sailing, but the winds aren't mine to control. What I do promise is a ship built to carry you to safely, and sails to weather any storm.

I wish I could promise you forever, but someone infinitely greater than I already has. What I do promise is every second of this time sliver of eternity I've been blessed with.

I wish I could promise you riches, but every vault has its end. What I do promise you is a life of abundance—And abundance of love and support, of strength and vulnerability, of sharing and drive, of passion, and of adventure. I wish I could promise to always be as roguishly handsome as I am today, but, well ... On second thought, have you seen my dad? Maybe that's a promise I *can* keep.

I can't even promise I'll never hurt you, because even the best of intentions sometimes fall short. What I do promise is to always reach for you over my pride; to hold you, to heal you, and to seek forgiveness.
So, I guess what it is I am trying to say is, the only thing I can promise you, is me and my love for you. I love you

- ♥ I love you, with everything I have. Today I am so proud to call you my husband/wife. Words will never be enough to show the love I have for you. When I'm with you my heart beats so fast. I feel like it may explode if I let myself feel just how much I love you. The extent of your beauty is overwhelming, both inside and out. I could not possibly live without you. I promise to be there for you and our family, and I will never let you down. I look forward to growing old with you. You are my best friend, and my soulmate, I

have loved you since the day I met you, and I will continue to do so until forever.

- ♥ I promise to give you the best of myself and to ask of you no more than you can give. I promise to accept you the way you are. I fell in love with you for the qualities, abilities, and outlook on life that you have, and won't try to reshape you in a different image. I promise to respect you as a person with your own interests, desires, and needs, and to realise that those are sometimes different, but no less important, than my own. I promise to keep myself open to you, to let you see through the window of my personal world into my innermost fears and feelings, secrets and dreams. I promise to grow along with you, to be willing to face change as we both change in order to keep our relationship alive and exciting. And finally, I promise to love you in good times and in bad, with all I have to give and all I feel inside, in the only way I know how ... completely and forever.

- ♥ [Name], you know that there are some things I don't believe in. But today, I want to tell you about some things I do believe in. I believe in sunrises and sunsets. I believe in hikes in the woods and walks on the beach.... I believe in all the beauty, the mystery and the wonder of life, and I believe that these joys, like all joys, are multiplied when you have someone to share them with. And I'm here because I want you to be that person. There's no one else I'd rather spend my life with. I love your shy smile, your sweet laugh, your sense of humor, and your adventurousness. And most of all, I love the way you make me happier than I thought anyone ever could. That's why I'm here, and that's why I'm marrying you today.

- ♥ [Name], since the day you walked into my life, it's been more fulfilling, my smile has been bigger and my heart has been more full. The days since we first met have had their share of struggles and trials but I've never once felt lonely in that time. I promise to love not only who you are today, but to love the person you grow into over the years. I promise to love you without condition, to laugh when you're happy, to cry when you're sad.
I promise to always make sure there's no food left in your beard after dinner. I promise to remember that neither one of us is perfect, but strive to remind myself of the ways we are perfect for each other.
I promise to love you, respect you, support you and above all else, make sure I'm not just yelling at you because I'm hungry.
I promise to be faithful and supportive and to always make our family's love and happiness my priority. I will be yours in plenty and in want, in sickness and in health, in failure and in triumph. I will dream with you, celebrate with you and walk beside you through whatever our lives may bring. You are my person—my love and my life, today and always.
I see these vows not as promises but as privileges: I get to laugh with you and cry with you; care for you and share with you. I get to run with you and walk

with you; build with you and live with you. With my whole heart, I take you as my husband / wife

- ♥ [Name] I want to start by telling you how much I love you. [*Yes, I love how handsome you are, and how you're cut like an action figure, but that's just the icing on the cake. The absolute best part about you is your kind heart.*] You are the most giving, selfless person I know and I thank God every day that you have given all of your love to me, without any hesitation.
I promise to walk with you, hand in hand through life, as your biggest fan, your shoulder to lean on, and your best friend.
With kindness, respect, and trust, I promise to stick by your side through the challenges and triumphs to create a wonderful life together.
I promise to take care of you. Because if I don't, you would eat pizza for every single meal for the rest of your life.
I don't know if this counts, but I can basically promise to evenly distribute my cuddle time between you and Pablo.
I promise to laugh with you every day, to dance with you in the kitchen and to not rub it in when I beat you in horse.
You're the one I want to binge watch *The Office* with forever.
Your arms are the ones I want wrapped around me at the beginning and end of each day.
Your infectious smile is the one I want our kids to have.
You're the one I want to love completely and forever."

- ♥ I'm so proud that today I become your husband / wife.
I love you.
I love the way you dance to make me laugh.
I love that you always push my hair back when it's in my face.
I love that I get a kiss from you every time we stop at a red light.
I love that you're open to trying new things.
Today, I want to make promises to you that I will always keep.
I promise to never stop holding your hand.
I promise to make sure I'm not just hungry when I get upset.
I promise to share my food with you, never go to bed angry and always honour your passion for the [particular team / passion/... but NOT your passion for the wave.
I promise to stand by your side while you face the world. Listen to you when you speak.
I promise to join your laughter with my own and when you can't look on the bright side, I will sit with you in the dark.
I promise to grow alongside you, but also to never grow up.
I promise to love, respect, protect and trust you, and give you the best of myself, for I know that together we will build a life far better than either of us could imagine alone.

I choose you. I'll choose you over and over and over, without pause, without doubt, I'll keep choosing you.

I used to never truly enjoy moments because I was always waiting for what's next. The next thing to happen. Kind of living life in fast forward. Now that I have you, I enjoy the moment. Every moment.

Today seems like it's the start of a new journey, but I already belong to you. Falling for you wasn't falling at all—it was walking into a house and knowing you're home. I love you.

You know me better than anyone else in this world and somehow still you manage to love me. You are my best friend and one true love. There is still a part of me today that cannot believe that I'm the one who gets to marry you.

In sickness and in health: I promise to take care of you, even when you've over-indulged the night before. For richer or for poorer: I promise not to spend all our money at [insert favourite shop here].

♥ (Name), I want to be with you always just as you are. I choose you above all others to share my life in marriage. I love you for yourself, and I want you to become all that you can be. I promise to honour this pledge as long as I live. I ask everyone present to witness that I take you as my partner in marriage. On this day, I give you my heart.

♥ My promise,
That I will walk with you,
Hand in hand,
Wherever our journey leads us,
Living, learning, loving,
Together,
Forever.
I take you to be my partner for life
I promise above all else to live in truth with you
And to communicate fully and fearlessly
I give you my hand and my heart

As a sanctuary of warmth and peace
And pledge my love, devotion, faith and honor
As I join my life to yours.

Today I stand before you, ready to start the biggest adventure of our lives. I know it will be really hard, and some days will take a lot of work. But I also know that there will be days filled with love, laughter, and pure bliss. I can't imagine sharing this adventure with anyone else but you. I promise to work at our love, and always make you a priority in my life. With every beat of my heart, I will love you. This is my solemn vow.
